Recommended products

MAIN COMPONENTS FOR WASHING AND IMPREGNATION:

DERVAL RENT
Mild detergent concentrate without optical brighteners or bleach

- Dupont Personal Protection
- Nomex® certified
- HuPF[1] certified for fire protection clothing

HYDROB EASYDRY
Generation of water-, oil- and dirt-repellent properties/Protection against chemicals (free of PFOA and PFOS)

- Suitable for finishing chemical protective clothing in accordance with DIN EN 13034 and for post-treatment of fire fighting protective clothing in accordance with DIN EN 469 section 7.5

OPTIONAL COMPONENTS IN CASE OF HEAVY SOILING AND FOR DISINFECTION:

DERVAL PROTECT
Wash booster with high soil dissolving power for technical textiles made of synthetics and blended fabrics (40 – 60 °C)

- Effective water repellency of polyester fabrics using specific polymer additives

ESDOGEN BLEACH
Activated concentrate for oxygen bleaching and laundry hygiene

SPECIAL SOLUTIONS FOR WOOL, SHIRTS, OR PROTECTIVE SUITS:

Lanadol AKTIV
Special cleaning and fibre protection agent for highly sensitive and non-washable textiles

TREBON PLUS
Super concentrated heavy-duty detergent with disinfecting/hygienic effect in powder form; for all degrees of water hardness

ADVANTAGES:

SAFETY

- Professional processing according to HuPF[1] and PPE standards/ regulations
- Protection of high visibility reflective stripes and warning colors
- Hygienic washing with active oxygen
- Extremely gentle cleaning protects sensitive membranes

EFFICIENCY

- Very gentle yet efficient treatment
- Powerful and reliable removal of dirt
- Highly concentrated, highly effective products
- Extremely efficient washing processes that are precisely tailored to the products

ECONOMY

- Extended service life of high-quality protective clothing
- Highly economical thanks to reconditioning and restoring of the textiles
- Reduced product consumption due to highly efficient procedures
- Complete product portfolio out of one hand

1 HuPF: German abbreviation for “Manufacturing and Testing Description for Universal Fire-Resistant Clothing“

* Use biocides with caution. Always read the label and product information before use.
